Women's Event

The event for women this year is a reception on Saturday at 5pm. Our special guest, Roxanne Wilson, will share her fly fishing skills and relate some interesting times as a woman fly fisher. We will have a small silent auction that will be dedicated to Casting for Recovery. Finger food and a cash bar will be provided. Register for it in the "Meals" section of the registration form. Limit 30 women. \$12.00

What to bring to the conclave:

1. Rod and reel if taking a casting class OR taking advantage of some of the great fishing around New Braunfels
2. Fly tying equipment if you want to tie with the masters

Chico Fernandez will be the special guest for the Conclave.

Chico has fished for all over the world for various species of fish. He will do a program designed to help you select the right gear based on the type of fish and fishing locations you will encounter. He is also a world-renowned fly casting expert and world record holder and will provide individual instruction to help improve your casting stroke. This is a hands-on class from one of fly fishing's most engaging personalities. Limit 6 students. \$35.00.
